Research and Studies

- 
- 
- 
- 
- **Identifying Needs:** We work with a precise methodology that includes several steps to ensure focus on issues of societal importance
 - **Impact Monitoring:** We analyze the results and impacts generated by programs and projects, and share these findings with stakeholders and concerned parties to ensure transparency and accountability
 - **Performance Standards:** We work on a clear strategy to ensure continuous evaluation quality, effective performance, and the development of a plan to achieve the desired goals

Main Studies and Projects of the Center

- 
- 
- 
- 
- Project Organized Procedures for Divorce and Its Consequences for Women and Children
 - Project National Strategy to Combat Domestic Violence in the Kingdom
 - Project Personal Status Record
